## Wrap & Read FUNdraiser - One Down, One to Go!

Thanks to everyone who helped us out on November 28th! We couldn't have done it without Trudi Kimm & JP, Jessie Snow, Rosemary Anderson & Kali, Nina Herdes, Jerry D'Aprile & Tonto, Kathy & Jennifer Klink, Penny Brcich & the ever-jingling Gracie, Cheryl Hettinger, and Carolyn Pearson & Phoenix. While it was not the busy shopping day we had hoped for, I think we all had a lot of fun and I know that Barnes & Noble enjoys having us there!

Special thanks to Linda Frary and Kathy & Jennifer Klink & Zoe for jumping in on the 6th when Barnes & Noble had no wrappers!

I'm still in desperate need of readers for Saturday, December 13th. Call or e-mail to sign up!

## Annual Dinner

Mark your calendars! The 2004 Annual Dinner will be at Fisherman's Inn on March 20. Come celebrate a Starry, Starry Night with all of FVDTC's stars.

## The Next CGC Test

The next test is scheduled for January 15th, 2004. Entry forms will be available at training as of 12/11/03. If you find we've run out by the time you try to sign up, please sign the overflow list. People on the overflow list get first dibs next time around, and are called if any last minute openings occur for January's test. We will also need people to be part of the crowd for January's test, so contact me to put your name on the crowd list—no crowd, no test.

## Thanks!

THANK YOU FOR THE PLANT BASKET!!!

The basket arrived today and it is lovely. Thank you for thinking of me and I will be back training soon.

## From the DOT

Many thanks to Rosemary Caldwell who has agreed to run the front table at training for the remaining weeks of December. Then she is off to sunny Florida, so a member is needed to staff the table for the month of January. Please contact your DOT if you are interested in serving your club in this capacity.

It was heartening to have instructors turn out on a cold December night to discuss what was working and what needed fixing in the club's instructional program. Thank you to those who attended for sharing your time and feedback. Hopefully you left with some ideas to enhance the instructional experience of you and your students. If you weren't able to attend this workshop, another is being scheduled for the end of January or early February. Hope to see you there!

There will be some changes beginning with the January puppy and beginners sessions. Nadine Conner will be teaching what is now known as the ring ready class, and Will Short will be taking on the 7 p.m. advance beginners' class. At 8 p.m. Mary Russell replaces the industrious Rick Cox to teach the open class. Utility run-throughs at 7 p.m. is in need of a member to do run-throughs.

Penny Bricich did a super job of having informational signs printed for various. Thanks so much, Penny. Please read them!!

Instructors, two canisters of Direct Stop will be in the file box for your use. This is a citronella spray useful for deterring aggressive dogs and breaking up dog fights. If you have any questions, please direct them to your DOT. Suggestions are requested for books and videos on dealing with canine aggression. Don't forget or hesitate to use the bandanas as a preventative resource.

Thanks and admiration from your DOT for all who have so generously shared their time and talents this past year in the instructional program. Without you there wouldn't be a place to train!! I am looking forward to serving with you in 2004.

## Board Meeting Highlights

### *Board Meeting Highlights* *December 3, 2003*

Meeting brought to order at 7:41 p.m.

Carolyn Pearson (Secretary), the August Meeting Minutes approved as published. One correspondence item was read.

Cindy Pakenas (Director of Training) reported that the quest for 2004 instructors has begun. Beginning in January 2004, the following changes will be made:

- Nadine Conner will teach the 7:00 p.m. Novice Ring-Ready class
- Will Short will teach the 7:00 p.m. Advanced Beginner's class

These changes mean that Cindy is in need of a person to do the Utility Run-Throughs. Anyone interested in doing the utility run-throughs should contact Cindy, at 815-827-4317 or DOT@fvdtc.org, or Penny Bricich, at 630-980-0881 or ADOT@fvdtc.org.

Cindy also reported that she received good feedback from the instructors at the December 2<sup>nd</sup> Instructor's workshop. She said that she would like to do the workshops on a quarterly basis and perhaps at different locations. Cindy will

check into providing instructors information on local seminars that they might find educational and helpful with their instructing.

Will Short (Obedience Trial Chairperson) reported that he and Taffy have already begun working on the 2004 trial.

Taffy Wille (Obedience Trial Secretary) reported that she is working with AKC about the changing the date that AKC has scheduled for our 2004 trial. That date is the weekend that the Kane County Flea Market is at the Kane County Fairgrounds. She is also trying to get confirmation from the Kane County Fairgrounds that the fairgrounds are available on November 14<sup>th</sup>.

Dave Lewis (Waggin' Tales Editor) stated that he has renewed the domain name for the next two years. The next deadline for Waggin' Tales is December 7th.

Amy Ford (Treasurer) was not in attendance, but sent the following report.

- Please submit to her, all check requests and/or cash receipts for 2003 by December 23, so the 2003 year-end financial statements can be prepared for the January Membership Meeting.
- She also reported that she is planning to prepare a budget for 2004, so she will be contacting various people in December to help her make some estimates. She says "You can run, but you cannot hide!"

Barb Misch (Public Education Coordinator) reported that the WOOF-line was updated. She also stated that the Wrap and Read FUNdraiser at Barnes and Nobles on Friday, November 28th only raised \$43.38. The next date is Saturday, December 13<sup>th</sup> and she is still in need of Readers from 4:00 p.m. until 8:00 p.m.

The next CGC test is scheduled for January 15, 2004. She stated that anyone who had been on the waiting list for the September 18<sup>th</sup> test have been notified of the next date and will receive priority for taking the test in January. Those individuals must provide confirmation by the deadline. After that date, the remaining slots will be opened to others interested in taking the test.

### Old Business

- **Land/Building Committee Report** - Helen Castellano reported that she, Francene Andresen, and Barb Misch met with attorneys, Tom Gosselin and John Gosselin for an exploratory meeting. The one-and-half hour meeting was used to explain to the attorneys our plans for the property. The next step for us is to provide the attorneys with a copy of our by-laws and our articles of incorporation. John Gosselin will contact the county to get more information about the property. We also need to get a flood assessment, after receiving permission from the properties sellers to access the property.

Francene stated that she was concerned that these lawyers did not provide her with the feeling that they would be able to guide us well during this process. Helen stated that an exploratory meeting was simply a way for the attorneys to determine what our goals are, not a meeting to provide us with the steps to be followed. Helen agreed to contact the attorneys to ask for an estimate of the cost to us for the land purchase process and whether they would be able to walk us through this process.

The Board members stated that we really do need to have someone who is experienced guide us through this process, such as who would be able to perform the flood assessment. It was also suggested that the realtor, Dennis, might be able to find someone to do the flood assessment.

Carolyn agreed to check with Amy Ford about our charter and articles of incorporation. The board members want to be certain that the board members are not personally financially responsible for the land purchase process. A copy of whatever paperwork that is responsible for our existence will be sent to Helen Castellano.

Francene reported that she did view the property today to see what it looked like without the corn plants. She stated that although she did not physically walk the property, in her opinion, the property is appropriate for our needs. She also reported that she was told that this was the first year that there was water in the middle of the property during rainstorms.

Tracey Mohr repeated her suggestion that we contact someone who is a buyer's agent. She stated that we might be able to save money by allowing the buyer's agent to do some of the work that the attorneys would charge \$150 per

hour to do. Francene stated that she would check on finding a buyer's agent.

### New Business

- **Health Certificates For Current Members** - Carolyn Pearson and Sue MacPherson addressed this issue. They felt that if the club requires our Puppy and Beginner students to provide a Health Certificate, we should require that the current club members also provide some type of proof of health. Sue stated that as a person who works in a vet's office, she sees many dogs coming in that put other dogs at risk for contagious diseases, such as coronavirus. Given the large number of dogs that enter the training facility, she feels that the dogs at training are in a high-risk environment.

Although, there are many other communicable diseases that dog owners should consider protecting their dogs against, legally, we can only require proof of a rabies vaccination. Since it was assumed that club members are responsible dog owners, we must assume that all dogs that are brought into the training facility are properly protected.

Another aspect of this issue was how to keep track of the dog's health certificate. This would be difficult because many of our club members purchase and administer their own vaccinations. Additionally, we discussed the dogs that are being fostered by our club members. It was stated that many rescue organizations are not able to provide the foster home with any type of reliable health records. Nor can they afford to pay for the dogs to be vaccinated prior to permanent adoption.

Taffy stated that she felt that by requiring the Puppy and Beginner's students to provide a Health Certificate, we are helping new dog owners to initiate a valuable relationship between the new dog owner and their vet. Cindy Pakenas stated that Puppy students do not have to provide a new Health Certificate for the Beginner's class.

- **CERF Clinic.** Trudi Kimm provided the following information from Dr. Paul Gerding from U of I in Champaign. He and his staff are willing to do a CERF Clinic for us in March or April. Their basic rate is \$600.00 plus \$1.00 per form that they have to send in. We still

need to confirm with Dr. Gerding and his staff the hours that they are available. Once a date and the times are confirmed, information will be announced to the club members. It was agreed that we should charge \$15.00 per dog.

- Taffy requested that she be allowed to purchase 25 more copies of the Shelby Marlo books. The Board approved the request.
- Peggy Sue Seehafer reported that she has noticed a lot of business cards being left at the St. Charles Park District's Dog Park on Campton Hills Road. She presented the idea of asking the Park District whether we could place some sort of permanent sign at the dog park for advertising our club and training classes. It was the consensus of the Board members that this would be an excellent way to advertise and promote better trained dogs at the dog park. Peggy Sue and Carolyn will send a letter to the park district asking for permission to post a sign.
- Cindy Pakenas requested permission to purchase a couple of bottles of Direct Stop repellent spray. This spray will be available to use by instructors should a dog become aggressive and will be kept in the First Aid box in the equipment closet.

A motion was made, seconded and approved to adjourn the meeting at 9:25 p.m.

## Come One - Come All to the Annual FVDTC Christmas Party!!!!!!!!!!!!

**This year we will have a quick Membership Meeting at 7:00 p.m. and the games will start immediately following the meeting, approximately 7:15 p.m.**

**A fantastically fun evening is planned. Nina Herdes has agreed to be our food hostess with the mostest for the evening. The games will be handled by Cindy Pakenas and Priscilla Pisarski.**

**So come, bring a dish to nibble on, bring your dogs and all your family members.**

**...we guarantee that you will have a fun night.**

## **IT'S AWARDS TIME 2003!!**

It is the policy of FVDTC to give awards for AKC, CKC and UKC titles earned at trials, tests or shows each year. Below is a list of the awards that are offered and a copy of the forms we will be using this year. Each form must contain all the information for eligibility. Please submit one handler form and a separate form for each dog.

If for some reason you have not met **ALL** your requirements (i.e. attended three membership meetings, worked at what equals six work credits and actively participated in the training of dogs at the club) and can justify the reason, your eligibility will be reviewed by the Board of Directors. We highly suggest that if three meetings were not attended, that there is a compensating work effort shown.

Awards are given for titles earned in 2003 (i.e., a dog may have earned two "legs" toward a title prior to 2003, but if the third "leg" was earned in 2003, the title is earned in 2003). However, all scores for any of the "Special Club Awards" must have been earned in 2003.

Members owning mixed breed dogs are eligible for a Certificate of Merit for the equivalent of AKC titles earned at **MATCHES**. Submit at least 3 qualifying score sheets signed by three different judges. This also applies to purebred dogs that are not registered by the AKC.

Any award that states "Personalized" will be engraved with the dog's name, title and year. PLEASE NOTE: Anyone wishing to receive an award that requires your dog's picture or involves having your dog's photo taken or other personalized artwork produced - please get everything submitted as soon as possible. All submitted pictures **MUST** be clear, close-up photos for best reproduction. Our artists need time to work on these, so please be considerate.

Front and Finish is now offering the "Front and Finish Excellent (FFX) Obedience Platinum Award". The requirements are that the obedience title must be completed in three trials with scores of 195 or better. If you are eligible for this award, **you must also submit the FFX Application with the rest of your forms**. For more information about this and other Front and Finish awards as well as a copy of the FFX Application, go to [www.frontandfinish.com](http://www.frontandfinish.com).

**ALL COMPLETED FORMS, PHOTOS AND CLOTHING (FOR AIRBRUSHING) SHOULD BE SUBMITTED TO:**

**Jan Schomer – 1060 High Street – Aurora, IL 60505**

**All information, photos, and clothing must be received no later than January 24, 2004. If you can't make this deadline, contact Jan or Suzan immediately.**
