DINNER & AWARDS NIGHT AT FVDTC'S K-9 CASINO ROYALE

It was a night to remember. The setting was lovely, the food wonderful, and the people gathered were delightful!

Cheryl Hettinger did a fabulous job organizing and it all came together beautifully. With only one hour to set up and prepare for arrivals, Cheryl had her team in full swing the moment they arrived on site. Cheryl's team consisted of Barb Misch, Barb Runkle, Ingrid Hamburger, and Francene Andresen.

Rick Cox was our emcee for the evening and as always he did a great job. He certainly knows how to inject humor and suspense when it comes to the awards presentation.

It was exciting for the committee to see so many new members sharing the evening with us! Welcome to the party!

Meeting brought to order at 7:40 p.m. following the presentation by Dr. Erin O'Connor AVCA Certified Animal Chiropractor of Vitality Chiropractic Center in Aurora

Nancy Pederson announced that, sadly, Jan Winters lost her husband Jim this afternoon. He had been ill for quite some time but this was a shock to all. Her address is in the latest membership book. Arrangements are pending

Carolyn Pearson (Secretary). The March 21st Meeting minutes were approved as published.

Ed Herdes (First Vice-President) was in attendance, and stated he had nothing to report. Terri Byerly's reported that in response to her query regarding the roof and hinge on the shed door, Brian Ruppert stated that he anticipates working on that mid-June.

Donna Bihner (Second Vice-President) reported that, in addition to tonight's program, there another program is scheduled for the September 19th Membership Meeting. The topic is "setting up pet trusts in a will".

Additionally, the following two workshops are scheduled to explain the class, demonstrate the exercises and discuss judging standards.

- May 24th - Open and Graduate Novice – presented by Rick Cox
- June 29th - Novice and Beginner Novice – presented by Loretta Lazarra.

Will Short (Obedience Trial Chairperson) was not in attendance; however Terri reported that the contracts have been sent to the judges panel for 2013 Obedience and Rally Trial.

Sue MacPherson (Membership Chairperson) read the list of the 11 new member applicants who had been published in recent Waggin' Tales. None of the applicants were present at the meeting. Peggy Sue Seehafer made a motion to accept the list as read. Francene Andresen seconded the motion. The list was accepted by all members present, with no one opposed or abstaining. Welcome to all new members.

Cheryl Hettinger (Annual Dinner Chairperson) reported that the 2011 K9 Casino Royale was a huge success! She stated that for those lucky enough to attend had a great time, good food, good gambling, great atmosphere and best of all great people. For those who did not attend, you missed out on a great event.

Cheryl extended thanks to the following contributors.

- Food For Thought, our caterer who brought us yummy food
- Brewster Creek Lodge for a delightful room to have our event
- All businesses who donated such an abundance of raffle and sample items for our lucky guests to have and take home with them

Additionally, Cheryl thanked her fun and helpful committee: Barb Misch, Barb Runkle, Francene Andresen and Ingrid Hamburger. She stated that without them she could not create such a super event. Cheryl stated that anyone who wants to volunteer for the Annual Dinner committee for the 2012 Annual Dinner should contact her. She reported that no experience is necessary and it is a lot of fun. She also stated that it does not require a lot of creativity or a lot of time, but does require a desire to lend a helping hand or two. She said that they have a lot of fun and some very interesting meetings! The planning usually begins around September for the next year's event.

- Committee Chairs for single events send the list shortly after the event.

Monthly Dollar Bucket

...and the winner of \$7.50 was Willie Santiago as drawn by club member, Terri Byerly. In addition to the remaining \$7.50 donated to the Tracking Test fundraising effort, Willie also donated his winnings to the Tracking Test fundraising effort.

Old Business

- **Scholarship** – Barb Misch was not present at the meeting, but sent the following report. The scholarships have been broadcast far and wide. Barb also reported that St. Charles Alderman Besser has agreed to be the Community Evaluator to review the applications. Additionally, David Thornell has volunteered to be an evaluator for the FVDTC Memorial Scholarship. Barb stated that she would like to have at least two more club members to serve as evaluators, however three would be better. Barb would provide the applications and the score sheets to the evaluators late June. The evaluators will have a couple of weeks to tally the scoresheets. The award scholarship will be awarded to the highest average student who has achieved a minimum score. It is Barb's hope that the scholarship program will be successful and the Board will continue the program. This would enable the club to generate more buzz, especially for the FVDTC Memorial Scholarship and to encourage service to the club. Anyone who would like to volunteer for the administration of the scholarships should contact Barb at ItsAllAboutTheDog@Hotmail.com.

New Business

- **How can I help the club?** – Donna Bihner reported that a new section has been added to the Waggin' Tales to answer the question "How can I help the club?" There are many ways to help the club and only a few require any type of specialized skills, such as Correction Clinic judges. Most of the jobs only require on-the-job training and committee chairs will be thrilled to have new people involved. Anyone who has any volunteer opportunities that they would like listed, should send an e-mail to Donna Bihner at VP2@fvdtc.org.

- **Chicago Pet Show** – Peggy Sue Seehafer reported that the Chicago Pet Show is the same November weekend as the Obedience and Rally Trial in November. In response to a question regarding the concerns of parking, it was stated that we need to put a notice in the premium list that exhibitors should enter the fairgrounds ONLY from Randall Road. Terri stated that she will initiate a conversation with representatives from the Kane County Fairgrounds and the Chicago Pet Show regarding the parking.
- **Club Photographs** – Donna Bihner stated that during a recent review of other dog training clubs Web sites, she liked the pictures which were posted on the Web sites. One of the Web sites had a web page devoted to the 'new members', such as puppies that were welcomed into the club member's family. In response to Peggy Sue Seehafer's question about the possibility of posting the pictures on the club's Facebook page and then linking to our Web site, Dave said that it is possible but would require some modifications to the club's Web site. Peggy Sue also stated that we would need to get a release form signed from individuals in the pictures. It was also stated that any owner submitted photos automatically provided us with permission. It was suggested that the membership applications, new and renewals, include additional verbiage regarding permission to use photos taken at club events.
- **Awards for Volunteers Proposal** – Cheryl Hettinger asked for an update on her request to offer some type of award to club members who volunteer, but do not earn any titles. Carolyn stated that she did receive the proposal via e-mail and it would be addressed at the June Board meeting.
- **Membership Modifications Proposal**– Terri Byerly read the proposal from the May 1st Board Meeting regarding modifications to our membership options. Carolyn Pearson stated that these changes were being proposed to encourage club members to volunteer, not as a way of collecting additional money. The following modifications were agreed upon by all Board members present at the May 1st Board meeting and are presented here.
 - **By-Law Change**
 - Membership Year – would change from June 1st through May 31st to January 1st through December 31st.
 - **Membership Dues**
 - Lifetime and Honorary membership dues - No changes.
 - Active and Non-Training membership dues - No changes.
 - Only the Active and Training membership dues would be impacted. There would be 2 levels of membership dues.
 - \$90.00 with 3 Work Credits
 - \$180.00 without 3 Work Credits.
 - Members who join mid-year will be asked to earn 1 credit in that first year. Dues will be pro-rated as they are today.

 - Work Credits that apply to the membership dues may also be applied to the Award Requirements, with the exception of attending membership meetings.
 - There are NO changes to the Work Credits for Awards Requirements (still need to earn 10 work credits).
 - The Work Credits list dated January 2012 identifies the work credits which are available to volunteers.
 - All family members are eligible to earn the 3 work credits.

May 01, 2012

Meeting brought to order at 7:50 p.m. to continue the discussion of the Membership Requirement Modifications, which began at the December 14, 2011 Board Meeting. Those notes are included in this report.

Dave recapped that there were still items which needed to be finalized prior to the presentation to the membership.

The following modifications were agreed upon by all Board members present at the meeting.

By-Law Change

- Membership Year – would change from June 1st through May 31st to January 1st through December 31st.

Membership Dues

- Lifetime and Honorary membership dues - No changes.
- Active and Non-Training membership dues - No changes.
- Only the Active and Training membership dues would be impacted. There would be 2 levels of membership dues.
 - \$90.00 with 3 Work Credits
 - \$180.00 without 3 Work Credits.
- Members who join mid-year will be asked to earn 1 credit in that first year. Dues will be pro-rated as they are today.

Work Credits

- Work Credits that apply to the membership dues may also be applied to the Award Requirements, with the exception of attending membership meetings.
- There are NO changes to the Work Credits for Awards Requirements (still need to earn 10 work credits).
- The Work Credits list dated January 2012 identifies the work credits which are available to volunteers.
- All family members are eligible to earn the 3 work credits.

We briefly discussed the minimum number of workers needed for the following events.

Agility Trial

- 20 volunteers per day = 10 people per ring, with 2 rings
- Approximately 50% of those volunteers must have experience as a steward

Correction Clinics

- 24 volunteers per night = 4 people per ring, with 6 rings

Obedience Trial

- 24 volunteers per day = 4 people per ring, with 6 rings

Sue MacPherson, Statistician, and Dave Lewis will collaborate to determine how to track the work credits.

The membership applications (new and renewal) will need to be modified to enable club members to easily volunteer to be contacted by committee chairs. The application will also include a note reminding all club members that they are personally responsible for volunteering to earn their work credits.

A motion was made, seconded and approved to adjourn the meeting at 9:01 p.m.

- **Membership Requirement Modifications – Discussion Continuation**

The following are the notes from the December 14, 2011 Board Meeting where the topic was originally presented and discussed:

Dave Lewis presented some ideas of modifying the current membership requirements and fees. These ideas have been discussed many times in the past, however those discussions did not provide any concrete processes. These changes are designed to encourage more club members to volunteer. Terri stated that she often is asked "what are the work requirements for new members to join the club." These changes would define the work requirements for general members to maintain their membership status. These requirements do not impact the requirements for awards presented to title earners.

Dave stated that there are currently three types of members: Active, Lifetime, and Honorary

- Active is a voting, and generally training, member
- Lifetime is a member who has been in good standing for 15 years
- Honorary is a non-voting type, awarded by the membership for either one year or for a lifetime

The types of membership would be adjusted to include the club member's willingness to volunteer. Training privileges and awards eligibility are earned by actively working for the club, along with paying dues. To accommodate these modifications, the following changes would be necessary.

- The membership application/renewal form will be modified to include the three types of membership, along with a training/non-training indicator. Any application indicating that it is for a "training member" will be required to submit three choices for committees or work opportunities that they would be willing to do, and a space to indicate special talents or skills that make the member especially appropriate for a particular position.
- The Board, or a committee of Board members, would review the membership applications and renewals and assign individuals to committees.
- The membership dues would be significantly increased (number to be determined).
- Members who train and earn a specific number of work credits (number to be determined) will have their dues discounted by 50% for the following year, offsetting a substantial increase in dues (amount to be determined) for training members who do not work for the club.

Additionally, the following recommendations were presented for review.

- Change the club membership year to be from January 1st through December 31st, to match committee membership responsibilities and the club fiscal year and the awards year.
- Modify the by-laws to eliminate the position of Second Vice-President as a Board position. It would instead be changed to a committee chair: Program Chair, with specific requirement to organize programs for the March, May, September and October meetings
- Modify the by-law requiring that there are to be regular Board meetings every other month, starting in February to say "Regular meetings of the Board of Directors shall be held at such time and place as designated by the President". This would better match the Membership meeting verbiage.

Dave suggested the following implementation and transition plan following the Board's approval of the suggested modifications.

- Changes provided to the membership at January meeting for approval in March
- June membership renewal is for June through December 2012, with dues modified appropriately.
- Membership application / renewal forms are modified in time for distribution in November and December 2012 for the January through December 2013 club year.
- The membership dues for the January through December 2013 year are not changed. The membership dues for the January through December 2014 are increased. Club members who work during 2013 get the 50% discount in 2014.

It was agreed that in order to finalize the plan that another special meeting should be scheduled. A tentative date of May 1st was scheduled. The date and location will be confirmed within the next few days.
