Waggin' Tales

Word from our President...

Friends,

On Wednesday January 18th we conducted our annual elections at FVDTIC's January membership meeting. I would like to thank everyone who came out in the cold for that meeting. We had 42 people attend which resulted in a lot of great ideas being shared and plenty of laughs and giggles. It was a very productive meeting and I am hoping we can carry that git'er done attitude over into the months to come.

To board members who served us in 2011, "Thank You"!! We're grateful for your service to FVDTIC. I'd also like to welcome those who are new and/or returning to the FVDTIC Board of Directors! I am looking forward to working with all of you!

Remember that as always, I am available to you as a liaison between the membership and the board. If you have ideas or complaints, kudos or suggestions, please drop me an email at terribyerly@aol.com

Below is a list of the folk that I am pleased (and grateful) to appoint to various committee chair positions. You can reach any of these folks via the FVDTIC website www.fvdtc.org, the "VIPs" link at the top left of the page.

Remember, this is YOUR club! Speak up, be heard and be a part of the fun!

CONGRATULATIONS TO OUR NEWLY ELECTED VOLUNTEERS**From Francene Andresen**

I wanted to write and congratulate everyone & to thank all of the Fox Valley volunteers for their service to the club. You don't always get recognition for the work that you do, but there are a lot of people who do support you & appreciate the efforts of your labor.

Recently, I've been asked quite a few times why I had run for office. It seemed that some people had the wrong idea as to why I threw my hat in the ring & I realized that perhaps I should set the record straight, even though the elections are over.

Since the late 1990's I've been a member of FV I observed a club started in the 1950's & considered to be "special" & looked up to by people in the canine community move to being a club that has in many ways stagnated & lost a lot of its appeal to a number of people.

I see other newer clubs being much more progressive than us with much less. I see us losing our edge in the community & have been trying to understand why this is happening. Why are other clubs doing so much & how do they accomplish this? I don't have the answers but perhaps we need to reassess ourselves as a club. Perhaps we need to update our thinking about who we are & where we want to take our club in this century.

One of the most glaring observations I made came when I agreed to be on the nominating committee. I noticed just how many volunteers we **don't** have in our club. It occurred to me that we have only a handful of people doing the majority of work. Think about it. How many people do you know volunteering right now? How many of those people are doing more than one position within the club? Have you ever given this any serious thought?

In a moments time I thought about 3 people doing multiple jobs within the club: Carolyn, Terri, & Will. Carolyn, our Secretary (which is a huge job all by itself) is also an instructor, hostess for our Obedience Trial, & coordinated our club's judges with Car-Dun-Al's judges, & does a number of other things. Terri, our President (a big responsibility) is an instructor & manages all of our 4H activities (another big responsibility), she is a match judge, etc. Will is an instructor, a match judge, last year's Trial Chair (and this year's Trial Chair), etc. These are the folks I thought of first & I know there are a few more such as Ed & Ingrid & Cheryl & Nancy...

While I was on the nominating committee, and we were asking others to run for office, I began thinking about what was told to me by people & things I was noticing & I began assessing my own role within the club.

The realization of how much work our leaders are doing & how easily our club could get into trouble prompted me to take action. When so few people do so much of the work, if one person is no longer able to do their jobs, there will be enormous gaps to try & fill. It is difficult to fill 1 job but to fill 2 or 3 large jobs can be really tough. And if more than one person were to leave the club for some reason or another, it could be a disaster. Just look at the slate from the election if you don't think it would be a problem. All but 1 position had only 1 person running for the office.

I chose the Trial Chair position strictly on the basis that it is a big job & I thought I would be able to do the job well. I have had experience with trials. I also know that the paperwork cannot be completed in a timely manner if AKC does not know who the Trial Chair & Secretary will be. It is part of the form that you have to fill out for a trial. If no one is the Trial Chair then there is no Trial & if there is no Trial then paperwork doesn't need to be filed. I did not see it as a Board or Club problem that we were not going to have a Trial last year & that the paperwork was not sent in a timely manner. I viewed this as a membership problem & members not stepping up to the plate to do the work needed to be done.

All of us knew that we did not have a Trial Chair. There are a lot of members in this club who are capable of stepping up & chose not to do so. Therefore, it is not fair to point fingers at others if we ourselves are not willing to put forth the effort. Credit needs to be given to the people who do step up in times of need within the club.

Will had not run for the Trial Chair position during elections but was kind enough to step up to the plate last year when it was obvious that no one else was going to do so. I did not know that he was truly interested in the position since he hadn't run for it last year. I don't see Will much and we don't talk much so I had no idea how he felt.

Carolyn, too, needs to be given a lot of credit for getting the paperwork into AKC once the Trial Chair was finalized & for getting other things coordinated to ensure the Trial proceeded.

For me, this was not a campaign issue or a competition. As I see it, if more people want to volunteer & share in handling the big jobs & they have the ability to do so, then they should be accepted at face value.

Will was already doing a couple of big jobs so I thought I was being helpful & being a team player. I was trying to meet a need that I was observing. That too few people are doing too many big jobs & not enough other people are volunteering to help. My focus was on the bigger picture of what I could do to help the club. I am already a member of several committees but not in the leadership role & I also volunteer in areas of need at different times. I was just trying to **step up to the plate** to do a job that I felt I could do well & I was trying to encourage others to do the same.

The bottom line is: A few volunteers doing many jobs & making all the decisions results in overload, less time & energy to try new things, increased frustration & resistance to changes, fewer new ideas, less creativity & satisfaction, & increased dissatisfaction. The Club becomes less desirable to join, decreases its status within the community & decreases the desire to volunteer resulting in fewer people doing all the work – & the cycle continues.

On the flip side: Volunteers equal to the number of positions, & assistant volunteers to help in areas of need, results in more equality of decisions toward membership needs, decreased overload & frustration, increased acceptance of positive changes & energy to promote & explore new things, increased flow of new ideas & creativity, increased satisfaction & decreased dissatisfaction. The Club becomes a magnet for others to join, increases its status within the community & volunteerism resulting in more people doing lighter workloads – & the cycle continues.

It is my sincere hope & wish for more people to volunteer. And, for volunteers to be welcomed with the warmth, respect & the admiration that they most profoundly deserve to receive. After all, they are giving of themselves something very precious. They are giving us their time & energy.

Respectfully,
Francene Andresen

Throw Them a Bone!

We all have those days. You know them. You're focusing on too many things at once, and suddenly you barely know your own name. Or, that dog you've been working so hard to train goes off and does something totally unpredictable. If you're lucky, you've only borne witness to these things and now is your chance to shine the spotlight on the poor hapless soul that suffered utter humiliation in front of a crowd. How?

Nominate them for a boner award! Boners are awarded at the Annual Dinner, K9 Casino Royale! You can find Boner Nomination forms here, in Waggin' Tales, or at the main table on training nights, where you can also drop them off. Or, email Dinner@FVDTC.org. So go ahead and throw them a bon

Brag

I have to brag about Pilot. lots of people know Pilot at FV, he won't let you not know him, if you make eye contact with him he will be on your lap or hugging you in a matter of seconds.....he is a people magnet.

OTCH Wildfire Pilot's License To Fly UDX 34 OGM is The Top Obedience Dog in the country for the second year in a row, and I couldn't be prouder of him!

To earn these awards he had to accumulate more OTCH (Obedience Trial Champion) points than any other dog in the country for 2010 and 2011.

To accomplish this last year we showed in 108 shows and the year before 112, and he still begs to do more.

I will be traveling to New York City in Feb. to accept the award.

I have trained and shown several dogs, and loved them all (I have five OTCHs) but it takes a very special dog to do what Pilot has done.....he is a once in a life time dog.

**THE SALLY COMPTON
OUTSTANDING SERVICE AWARD**

What is the Sally Compton Award:
Any FVDTC member can nominate
another FVDTC member who
consistently contributes to the club.
The nominee should be any member
who frequently goes above and
beyond the call of duty.

As Sally herself said: I hope that the
future recipients of this award will feel
honored to be noticed not only for the
duties required but those “extras” that
make newcomers welcome, and that
are necessary for the well being of the
club.

This award is the highest honor that a
Fox Valley Dog Training Member
could receive.

Please think about this great honor
and nominate some one deserving of
this award!

Meeting brought to order at 8:03 p.m.

Carolyn Pearson (Secretary). The November Meeting minutes were approved as published. Several items of correspondence were read. Brenda Rivera asked about the comment that Peggy Sue Seehafer made at the November membership meeting. Peggy Sue suggested that perhaps we should not host events when there are not enough volunteers. She also suggested that perhaps we should streamline the club by redoing our priorities. It was explained that we were just tossing out ideas about the club and how to improve it. In response to Joyce Conway's question, it was stated that there were no events which were more difficult than others. Getting club members to volunteer was not always easy to do. Terri stated that a good example was the Waggin' Tales editor. New club member, David Thornell, has volunteered to take over as the Waggin' Tales Editor from Dave Lewis. Dave volunteered in the recent past to make sure that the Waggin' Tales continued to be published as other editors stepped down.

Ed Herdes (First Vice-President) reported that Brian Ruppert has sealed the roof of the outside shed to prevent any type of animals from getting into the shed. Once the weather allows, Brian will continue the repair by replacing the roof sheathing and shingles where necessary. Ed also stated that fairgrounds is in the process of replacing the doors in the building.

Dana Weller (Treasurer) reported that she has not completed the 2011 end of year financials.

Sue MacPherson (Membership Chairperson) read the list of ten applicants which were published in recent Waggin' Tales. Taffy Wille made a motion to accept the list as read. Peggy Sue Seehafer seconded the motion. The list was accepted by all members present, with no one opposed or abstaining. Welcome to all new members, especially Sue Pokorski and David Thornell who were present at the meeting.

Sue also reminded everyone to let her know of any changes to their contact information, especially the email address. Even if you do not receive the Waggin' Tales electronically, the list is also used to send out important club information, such as announcements of club members' deaths.

Ingrid Hamburger (Tracking Test Chairperson) reported that the Burnidge Forest Preserve is reserved for the September 9, 2012 Tracking Test. Ingrid stated that the judges for 2012 are Connie Austin and Ule James and the judges for 2013 are Pam German and Wally O'Brien.

Cheryl Hettinger (Annual Dinner Chairperson) reported that although the Annual Dinner is tentatively scheduled for April 14th, the final location is still not determined. The theme for this year is the "K9 Casino Royale". Cheryl reminded everyone to submit their nominations for the very "prestigious" Boner Award. Cheryl explained that the Boner Award is given to the club member who or whose dog has done something stupid or silly. She stated that one club member received the award several years ago for performing the heeling pattern at our annual obedience trial with his dog attempting to hump his leg. Carolyn also stated that she has received the Boner Award in two different years for her 'phenomenal' dumbbell throwing technique, and the seven different attempts to throw the dumbbell over the high jump.

Cheryl reminded the 2011 primary and assistant instructors to contact Joan Mazat to make sure that she recorded them on her list of instructors so they can be acknowledged in the dinner program.

Jill Hansrote (CGC Test Coordinator) reported that she is awaiting receipt of the ribbons she ordered. The 2012 CGC Test dates are still to be determined.

Penny Brcich/Sandi Stephenson (Match Chairperson). Penny reported that things are going well so far.

Ingrid Hamburger (Match Steward Chairperson) stated that with the cancellation of classes last week, she does not have the most up-to-date list of volunteers. She is hoping that enough club members have signed-up to steward.

Penny Brcich (Sunshine) reported that appropriate memorials for the deaths of Jan Schomer and Rick Runkle are still to be determined. A memorial for Donna Dodson's husband, Roy, has been made in accordance with the family's wishes.

Dave Lewis (Waggin' Tales Editor) introduced David Thornell as the new editor and announced that the next deadline is Sunday, January 22. Terri reminded club members that the "Deadline" is the date for accepting items to be published, not the date that the newsletter is to be published.

Sandi Stephenson / Loretta Lazzara (AKC Obedience/Rally Judges Seminar). Loretta Lazzara reported that this project is currently on hold due to the significant number of seminars already being hosted in the area.

Terri thanked all 2011 Board members and Committee chairs for all the hard work done in the past year and welcomed the 2012 Board members.

• **New Business**

- Cheryl Hettinger asked whether the requirements to the Sally Compton Outstanding Service to the Club requirements could be modified to honor newer members. During the discussion, it was suggested that rather than modifying the Sally Compton award we would create a new award. Cheryl Hettinger made a

motion that we create a "Rookie of the Year" award that would be eligible to individuals who were club members for three years or less, who has shown outstanding service and contributions to the club. Nancy Pederson seconded the motion. The award would be operated in the same way as the requirements for the Sally Compton Outstanding Service to the Club. Club members would be nominated by fellow club members and then voted on by the entire club. It was suggested that the discussion be continued at the March 21st membership meeting.

- Cheryl Hettinger also stated that she will provide a proposal to Terri Byerly regarding the work point structure.
- Peggy Sue Seehafer and Francene Andresen announced that a "Book Sale" would be conducted at training to eliminate the entire library inventory.
- It was announced that the Board is currently working on obtaining the new signs for the Rally exercises, in response to Loretta Lazzara's question. Loretta also stated that individuals were requesting beginning novice run-throughs at our recent correction clinics.

A motion was made, seconded and approved to adjourn the meeting at 9:23 p.m.

IT'S AWARDS TIME 2011!!

It is the policy of FVDTC to give awards for AKC, CKC and UKC titles earned at trials, tests or shows each year. Below is a list of the awards that are offered and a copy of the forms we will be using this year. Each form must contain all the information for eligibility. Please submit one handler form and a separate form for each dog.

To receive a club award, you must have a total of 10 work credits for the year and be listed as a Regular Training Member in the Roster. If for some reason you have not met **ALL** your requirements and can justify the reason, your eligibility will be reviewed by the Board of Directors.

A member's dog is limited to receiving one AKC award per level of titles received. For example, if your dog earns a CD and an RA, you may pick only one award at Level 2. The exception to this is anyone who receives a title at the highest level in the same year (OTCH and a MACH).

January

Waggin' Tales

2012

Awards are given for titles earned in 2011 (i.e., a dog may have earned two "legs" toward a title prior to 2011, but if the third "leg" was earned in 2011, the title is earned in 2011).

However, all scores for any of the "Special Club Awards" must have been earned in 2011.

Members whose dog(s) earned a Canine Good Citizen (CGC) certificate AND have completed at least 10 work credits are eligible to receive a Certificate of Accomplishment.

Any award that states "Personalized" will be engraved with the dog's name, title and year. PLEASE NOTE: All items by C. Rodeback require a photo of your dog to be submitted with your forms. All items by B. McGuffey require an article of clothing (50% to 100% cotton and washed at least once) and a photo of your dog to be submitted with your award forms. All submitted pictures **MUST** be clear, close-up photos for best reproduction. Our artists need time to work on these, so please be considerate and get everything in as early as possible.

Front and Finish is now offering the "Front and Finish Excellent (FFX) Obedience Platinum Award". The requirements are that the obedience title must be completed in three trials with scores of 195 or better. If you are eligible for this award, **you must also submit the FFX Application with the rest of your forms.** For more information about this and other

Front and Finish awards as well as a copy of the FFX Application, go to www.frontandfinish.com.

Rally Changes Workshop!

February 23rd at 6pm (1 Hour) at the Fairgrounds

Presenter: Loretta Lazzara, AKC Rally Judge

Demonstrations: Nancy Pederson

On April 4th AKC's changes to Rally will be going into effect. There has been a lot of discussion about the new signs, but did you know there are also significant changes in scoring? Bring your questions to the one hour session. We will cover:

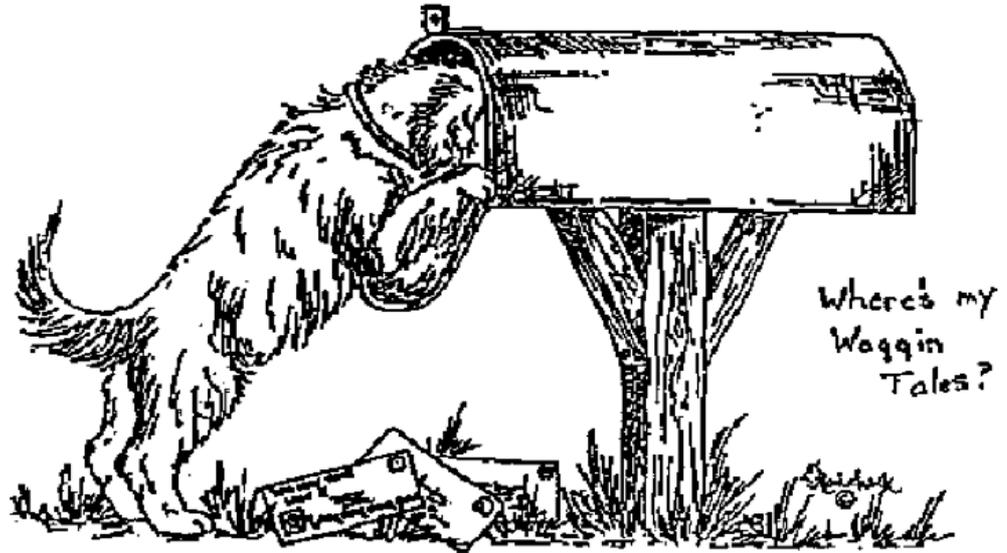

1. New AKC rally rule changes
2. Description and demonstrations of new Rally Signs
3. Handouts describing the new signs and the rule changes will be available.

During the normal 7pm Rally class the new signs will be up and the instructors, Will Short, Joyce Conway and Barb Runkle, will be available to help you practice the new signs. After March 1st the new signs will be incorporated in the weekly rally class.

There is no charge for the workshop, but we do ask that you sign up in advance. To sign up either send an email to Donna Bihner (dbihner@gmail.com) or sign up at the information desk at training.

Please Note: we will be using the Novice ring at 6pm for this workshop.
