DONATIONS FOR THE GOLDENS

There will be a donation box at training to collect donations for the Golden Retrievers found starving at the owner's home. At this time Kane County Animal Control is responsible for the thousands of dollars in medical bills incurred in the life-saving and sustaining veterinary procedures to allow the 9 Golden Retrievers who were left alive to survive. Any questions may be directed to Cindy Pakenas (815/827-4317). Checks can be made out to Kane County Animal Control.

Thanks for your concern and generosity.

If the trial takes a long time, the Golden Retrievers won't be able to be adopted for some time. The trial date is January 17 and hopefully will be settled in January.

PUT YOUR NEWS IN WAGGIN' TALES

If you have news or announcements you would like to share with the club, put it in the Waggin' Tales.

There are a few guidelines to follow to ensure that your message is presented in the way **you** would like:

Submit your articles to:

David Lewis
Waggin' Tales
232 Mistwood Lane
North Aurora, IL 60542
(630) 897-4267
waggintales@fvdtc.org

Plain text E-Mail is the best way to get your article included. Attachments in Rich Text Format will work

also. Typed letters and faxes are OK, too, but handwritten notes are the most likely to result in errors.

Always include your name and a phone number with your article.

What Gets Included

Waggin' Tales is the primary means of communication for the Board to the membership, so announcements from the Board and meeting minutes get highest priority. Next are news, brags and stories from the membership. If space permits, dog-related classified ads and for-sale items from members will be included.

I am always interested in your comments (both good and bad) and suggestions for improving Waggin' Tales.

NOTES FROM THE MEMBERSHIP MEETING

Membership Meeting Highlights December 28, 2000

Meeting brought to order at 7:25 p.m.

Carolyn Pearson (Secretary). The November meeting minutes were approved as published. Several items of correspondence were read.

Carolyn Pearson (Acting Director of Training) reported that the fifth session for 2000 ended on Thursday, December 21st. Anyone available and willing to help as a Primary or Assistant Instructor for either a Beginner's class or a Puppy class, please contact Carolyn Pearson (630-231-5658) or Taffy Wille (630-365-3423). This is a great opportunity to work with experienced instructors.

Cindee Ehrhart-Malnar (Annual Dinner Chairperson) reported that the Annual Dinner is scheduled for March 10th at Fisherman's Inn. Cindee asked for help come up with ideas to make the evening fun.

As done in the recent past, a separate invitation will NOT be sent to club members. A reply form will be available in the Waggin' Tales and on the club's website. Invitations will be available to the club members at the meeting.

Trudi Kimm (Director at Large) reported that Sig Han-

sen will no longer be coming to do adjustments at training. He will be working in vet's offices from now on. As soon as his schedule and locations are determined, it will be communicated.

Old Business

Peggy Sue Seehafer reported that the proposed location for the new Kane County Animal Control facility was Sugar Grove - too far to be considered as a future site for the training club.

New Business

Anne White had stated at the December Membership meeting that she would bring a copy of the newspaper article regarding the possibility that St. Charles would turn Moody Park (at Third and Prairie) into an off-leash "dog park". She was unable to locate the article and asked any club members to assist in the details. Anne White stated that she often goes to the local DuPage County dog training fields to do field training. She stated that unfortunately she and her dogs have often been approached by dogs that are less than friendly or obedient.

A motion was made, seconded and approved to adjourn the meeting at 7:31 p.m.

JANUARY MEMBERSHIP MEETING

Membership Meeting Highlights January 3, 2001

Meeting brought to order at 7:38 p.m.

Carolyn Pearson (Secretary). The December meeting minutes were approved as read. Several items of correspondence were read.

Carolyn Pearson (Acting Director) reported that the first session for 2001 begins on Thursday, January 4th. The following are currently the numbers of students in the classes:

7:00 Beginner's class	- 18 students
8:00 Beginner's class	- 16 students
9:00 Beginner's class	- 10 students
7:00 Puppy class	- 12 students

Jerry Erskine stated that he still did have some telephone calls to make this evening, so the numbers could change a bit.

We need help - Anyone available and willing to help as a Primary or Assistant Instructor for either a Beginner's class or a Puppy class, please contact Carolyn Pearson (630-231-5658) or Taffy Wille (630-365-3423). This is a great opportunity to work with experienced instructors.

Carolyn again reminded members that we do need someone willing to sit at the front table on a regular basis. The "work shift hours" are 6:45 p.m. until 8:15 p.m. Working the whole 1 1/2 hours is not a requirement - if anyone is willing to work a split shift with a fellow club-member, we would be glad to accept your help. We lose between \$20.00 and \$40.00 each week that we do not have a club representative greeting our guests.

Cindy Pakenas reported that she would like to be replaced with an instructor who has more experience with dog aggressive dogs. She stated that she just recently had four dog aggressive dogs in the ring simultaneously. It was stated that another instructor with more experience with aggressive dogs would be sought. During the discussion that ensued regarding aggressive dogs, it was stated perhaps some written information could be distributed to explain some typical dog behavior and how other dogs interpret that behavior. Anne White suggested that the written information be placed in the Waggin' Tales. Margaret Morgan suggested that we also add that information to the beginner's class homework sheets that are handed out.

Taffy Wille (Trial Secretary) stated that the judges' contracts were ready to be mailed, following a final confirmation with Will Short of the assignments. Taffy reported that it is possible to have non-regular classes at a limited entry obedience trial. The possibility of having a non-regular class at our November trial is currently being investigated.

Dave Lewis (Waggin' Tales Editor) reported the next deadline is Sunday, January 7th. He is currently investigating prices of printers.

Kathy Hubbard (Membership Chairperson) read the list of four applicants that were published in the November and December Waggin' Tales. None of the applicants were present. Taffy Wille made a motion to accept the list as published. Tim White seconded the motion. The motion was approved by all without any opposition or abstentions. Kathy Hubbard reported that the printing and distribution of the rosters are her top priority. A copy of the by-laws will also be distributed with the roster.

Ingrid Hamburger (Match Steward Chairperson) reported that a new sign-up sheet will be available at training for the year. A list of the correction clinic dates will be published in the next Waggin' Tales.

Suzan Scott (Statistician Chairperson) was not in attendance, but sent the following report with Carolyn: Reminded club members to send in their awards forms (which were in the December issue of the Waggin Tales). She currently has a list of members who attended which meetings and who stewarded or judged at which matches. The deadline is January 20, 2001 for form submission.

Cindee Ehrhart-Malnar (Annual Dinner Chairperson) was not in attendance, but sent the following report with Peggy Sue: The Annual Dinner is scheduled for March 10th at Fisherman's Inn. This will be the last dinner that Cindee will organize - anyone who is interested in doing it for next year, now would be a good time to "learn the ropes".

As done in the recent past, a separate invitation will NOT be sent to club members. A reply form will be available in the Waggin' Tales and on the club's website. Invitations were available to the club members at the meeting.

Debbie Kovacevich stated that if anyone was going to be at John Felix's studio, to please pick-up her photo from last year, she is having difficulty getting her photos from him. This frustration has been expressed in the past by other club members.

HIGHLIGHTS FROM THE BOARD MEETING

(Continued from page 6)

Trudi Kimm (Director at Large) reported that Sig Hansen will no longer be coming to do adjustments at training. He will be working in vet's offices from now on. As soon as his schedule and locations are determined, it will be communicated.

Monthly Dollar Bucket

...and the winner of \$6.00 is Rick Cox as drawn by club member, Jerry D'Aprile. Rick donated the money back to the club.

Old Business

Anne White had stated at the December Membership meeting that she would bring a copy of the newspaper article regarding the possibility that St. Charles would turn Moody Park (at Third and Prairie) into an off-leash "dog park". She was unable to locate the article and asked for any club members to assist in the details. Anne White stated that she often goes to the local DuPage County dog training fields to do field training. She stated that unfortunately she and her dogs have often been approached by dogs that are less than friendly or obedient. Margaret Morgan reported that she heard that the issue was no longer being considered by the city. With that information, it was decided that the club would not address the issue at this time.

A HUGE Thank You was extended to Cindy Pakenas for providing all attendees of the December Holiday Party a wonderful evening of fun and games.

Voting for 2001 Board Of Directors

Carolyn Pearson read the names for each position. Peggy Sue Seehafer asked if there were any nominations from the floor. Brenda Rivera nominated Trudi Kimm for the position of Director of Training. Trudi Kimm accepted the nomination and requested that her name be removed from the position of Second Vice-President. Anne White seconded the nomination. Rick Cox made a motion to close the nominations. Tim White seconded the motion. The motion was approved by all without any opposition or abstentions.

Carolyn Pearson then read the slate as modified by the nomination from the floor. Linda Benson made a motion to accept the slate as read. Ingrid Hamburger seconded the motion. The motion was approved by all without any opposition or abstentions.

At this time, Peggy Sue Seehafer welcomed Tracey Mohr as the new President and "turned over the gavel".

New Business

Tracey Mohr thanked Peggy Sue Seehafer for an excellent job as the former

President during the past years.

Carolyn Pearson asked for a volunteer to fit collars for all of the Beginners classes. This would entail working from 7:00 until approximately 9:30 the first night of classes, five times during the year. Anne and Tim White volunteered.

Taffy Wille announced that she was introduced to a great book called the "New Art of Dog Training" by Shelby Marlo. She recommends the book to her puppy class students to help explain dog behavior and training techniques. However, she found that the book is not widely carried at local bookstores (i.e. Borders does not carry more than two copies) and in some cases required placing a special order. She stated that she sent a letter to the publisher to determine whether volume orders would be rewarded with discounts.

A NOTE FROM PEGGY SUE

January 4th 2001

Dear members,
I believe after training tonight we need to add another award to our long list of awards. We have the proud dog award. But tonight I would like to create the proud trainer award.

Carolyn Pearson is the person to receive this first and hopefully never to be awarded again prize. With an excess of aggression from dogs and people tonight, Carolyn was her usual helpful self. Unfortunately one of the dogs was not very appreciative and bit her in the face. We were off to the hospital for stitches.

I am so proud of my friend and how she handled the group of incidents. Thank you for allowing me to be your president and learn more about the caring people we have in this organization. May you all have a wonderful New Year and all your resolutions come true.

Sincerely,
Peggy Sue

With orders of 25 or more copies, the savings is approximately 40% off of the list price. Anyone who is interested in purchasing a personal copy of this book should contact Taffy Wille (630-365-0423). Jerry D'Aprile asked what if the book recommended a different technique that what was taught in class.

It was stated that the appropriate response would be "for every different dog/handler there is a different technique that is successful".

A motion was made, seconded and approved to adjourn the meeting at 8:53 p.m.

From Carolyn Pearson

A NOTE FROM CAROLYN

Dear Friends at Fox Valley,

Just a note to thank each of you for all of your letters, e-mails, phone calls and messages and help after the incident last Thursday night. First, let me explain what happened. I was assisting a new Beginner's student fitting their pinch collar on their dog in preparation for attending their 8:00 p.m. class. A number of factors contributed to the situation. The dog:

- 1) had never been exposed to the large number of dogs that congregates on the first night of classes
- 2) was being handled by a stranger
- 3) was being told to behave (by me) when he started fussing during the collar fitting

Unfortunately for me, he chose to express his fear and frustration by lunging forward. His teeth made contact with my left cheek, chin, and near the left eye. Fortunately, for me, within seconds of the contact, I was surrounded by fellow club members. Peggy Sue grabbed the First Aid kit for me and found a muzzle for the dog. I was able to regain control of the dog and got the muzzle on him before I was "whisked" away to Delnor Hospital Emergency Room. After the dog was taken care of, Peggy Sue then took charge of me and made sure that my "boys" were cared for. I was NOT going to go to the hospital, but after being cleaned up by Peggy Sue and Anne White, it was confirmed by another student (a firefighter) that stitches were going to be necessary. This may come as a surprise for you, but I can be a teeny bit stubborn at times. So, I went grumbling.

At the hospital, Peggy Sue communicated with Scott to coordinate getting the boys home and

then coming to get me at the hospital AND then stayed with me until Scott got there. I'm sure the emergency room personnel were wondering HOW a women with blood all over her face could possibly be laughing - but Peggy Sue made sure that I was kept giggling. The plastic surgeon came and "knitted and purled" me back into a reasonable shape (although he REFUSED to do any extra nips and tucks - darn!) by 10:30.

All in all, an "interesting" evening - one that I don't want to repeat again! I will forget the bite, but I will NEVER forget how wonderful and caring everyone was that night and the days that have followed.

Special thanks to:

- Tracey Mohr for providing me with a way to communicate back to Fox Valley and stopping at the hospital
- Lauren Mohr for keeping watch of Beacon and my get-well hug at the hospital
- Anne White for helping with my "clean-up" job and the very funny card
- Ingrid Hamburger and Heike for taking care of Beacon
- Suzan Scott for taking care of Phoenix and Brady
- Shirley Moline for running "my" class in my absence
- Kyle Moline for helping care for my boys
- and
- Peggy Sue for insisting that time was of the essence in getting to the hospital. I'm sure it is because of that, that I have no signs of infection.

I'm sure that I'm not naming people specifically (I'm not exactly sure what I missed after I left) BUT please know that I thank you in my heart.

Carolyn (a.k.a. Rocky Balboa) Pearson

From Kathy Hubbard

A NOTE FROM KATHY

I have received a request from a long time club member that I would like to pass on for publication in WT.

FVDTC has numerous lifetime and regular non-training members who still keep up with club news via Waggin' Tails. Even though they are not at train-

ing nights regularly, they enjoy reading about club members accomplishments. However, since they may not know current training members personally, they also don't recognize your dogs' names. When you list a brag about your dogs' accomplishments, please add other identifying information like breed and age or sex. We all have our favorites to root for!

AKC Museum of the Dog Featured on Antiques Roadshow

Dog fanciers who are fans of the PBS program Antiques Roadshow will get extra enjoyment out of the show's upcoming episodes set in St. Louis, Missouri. One of the segments will feature a tour of the [AKC Museum of the Dog](#).

On the popular program, people bring antiques and collectibles in to be appraised by the show's art experts. The results are often surprising: A piece picked up at a yard sale for 50 cents turns out to be worth thousands of dollars, while an "heirloom" passed down through generations of a family turns out to be a reproduction worth not much at all. The stories behind the items are as fascinating as the items themselves, and the depth of knowledge held by the appraisers is amazing.

The Museum of the Dog was a natural choice to highlight when the show landed in St. Louis. Along with the universal appeal of its subject matter, the Museum features many paintings and sculptures of an antique nature. The segment will be an overview of many works in the Museum's collection.

The shows are scheduled to air January 8, 15 and 22 on PBS. Check your local listings for times, and enjoy the show!
