FROM THE TRIAL CHAIR

FROM THE TRIAL CHAIRMAN
By W. Short

The trial is over, and everyone agreed that it was another success for our club. Of course none of it would have happened without the hard work of a large number of our members who volunteered their time and effort to make everything come together. We had approximately 60 club members who helped in some way before, during, or after the trial, and I thank you all for your involvement.

Everything started with the work of our Trial Secretary, Taffe Wille, without whose services nothing would have even begun. She started working very early in 2001 to make sure we were doing whatever was necessary to make sure November 11 happened smoothly, and she did a terrific job.

The other members who contributed were Bill Clarke and Tim White who handled catalog ads. Bill also was the person in charge of booth spaces. Chief Ring Steward was Debbie Kovacevich (and she had help from her spouse, Michael), and the ring stewards were: Barb Bonner, Eric Heaton, Barb Dellenback, Kent Hildebrand, Cindy Ehrhart-Malnar, Rick Cox, Kathy Hubbard, Mike Kovacevich, Tom Hamer, Mary Russell, Sylvia Schultz, Penny Brcich, Sylvia Krypan, Francene Andresen, Terry Whalen (who also along with Andrew Graham, judged our non-regular class), Allison Rubendall, Tom Wagner, Heidi Terlizzi, Vera Nyberg, Marietta Huber, Marian Lazzara, Ruth Rothgery, Sue MacPherson, and Paula Zecca.

The kitchen was organized and run again this year by Nadine Connor and her staff including Loretta Lazzara, Trudy Kimm, Judy Siebeck, Donna Dodson (who also donated tickets for us to use in the raffle), Mimi Wayne, Barb Terrell, Shirley Short, and a mystery person named Myra who owns a yellow Lab named Payton. Nadine is already looking forward to next year.

Helen Castellano did a terrific job gathering, displaying, and distributing all of our trophies.

LINDA BENSON

Our thoughts and prayers go to the family and friends of long-time club member Linda Benson, who died early on the morning of November 11. The Kane County Chronicle said that her cancer "took her body, but not her spirit". We will all miss Linda's vivacious spirit.

FROM THE TRIAL CHAIR

(Continued from page 1)

Helping her were Cathy Labash, Bev Nicholson, Cheryl Lewis, Peggy Sue Seehafer, and Mary Bradley.

Ed Herdes, who is always there when needed, was in charge of the equipment. He was there on Friday to help Car-Dun-AI set up, and he was the last to leave on Sunday night when everything was finally finished.

Cindy Pakenas was in charge of grounds' patrol, and she did a great job making sure all exhibitors cleaned up after their dogs. Carolyn Pearson was in charge of Hospitality, and Kent Hildebrand handled publicity. Taffe Wille handled scoring throughout the day so that all placements and runoffs went smoothly. Kathy Hubbard made the standards in club colors for our ring signs and these will be a great addition for future trials. Cathy Fleury was stationed at the front table for most of the day collecting money as well as handing out commemorative gold Sacajawea \$1.00 coins to all handlers. This was done in honor of our 50th anniversary and those who collected their coins were very pleased. Kristen Cox and her cousin did a fine job setting up and running our raffle. Thank you to all who donated items. There were many members who helped Dean Connolly and his committee take down equipment and clean up at day's end. All of the people in the kitchen took care of that end of the building, while the trophy people did their area, and Dean's group did the rest. Now here is where the breakdown occurs. He gave me a list of helpers on Sunday night, which I promptly lost, so neither of us remembers who all helped. But a very large thank you to

all. It was a tough job, and it was done well.

I hope that I did not omit anyone's name, because if I did, I apologize. Your help, as well as all of those mentioned, was greatly appreciated.

Finally, Steve Pool, who judged our novices classes, told us that the novice B class had the highest percentage of qualifiers that he has ever before judged. Very cool.

From Helen Castellano

THANKS

I want to extend my thanks to Cheryl Lewis, Bev Nicholson and Peggy Sue Seehafer for assisting by contacting our club members for Obedience Trial trophy donations this past spring.

I also want to thank, Mary Bradley, Cathy Labash, Cheryl Lewis, and Peggy Sue Seehafer for helping to set up on Saturday evening and manning the Trophy Table during our Trial. A number of you were aware of how sick I was on Saturday and Sunday and that things were not as well organized as in the past. I greatly appreciated the fact that no one gave me a "correction" when we realized during Saturday set up that I had misplaced a box of trophies at home. I did find them and they were there on Sunday morning. We again had a large number of compliments on our trophy display this year and that is due to the generosity of our club members.

PUT YOUR NEWS IN WAGGIN' TALES

If you have news or announcements you would like to share with the club, put it in the Waggin' Tales.

There are a few guidelines to follow to ensure that your message is presented in the way **you** would like:

Submit your articles to:

David Lewis
Waggin' Tales
232 Mistwood Lane
North Aurora, IL 60542
(630) 897-4267
waggintales@fvdtc.org

Plain text E-Mail is the best way to get your article included. Attachments in Rich Text Format will work

also. Typed letters and faxes are OK, too, but hand-written notes are the most likely to result in errors.

Always include your name and a phone number with your article.

What Gets Included

Waggin' Tales is the primary means of communication for the Board to the membership, so announcements from the Board and meeting minutes get highest priority. Next are news, brags and stories from the membership. If space permits, dog-related classified ads and for-sale items from members will be included.

I am always interested in your comments (both good and bad) and suggestions for improving Waggin' Tales.

CORRECTION CLINIC

The final 2001 Fox Valley Dog Training Club correction clinic will be held on Thursday, November 29. Open is currently full with a waiting list. There are a few spots left in Utility and there is a lot of room in Novice.

Thanks to all of you who've volunteered to judge, steward and otherwise help out throughout the year - sometimes at the last minute. You're the people that make these matches possible. A special thanks to Shirley Moline for finding judges, Ingrid Hamburger for locating stewards and Jan Schomer for coordinating the table on match night.

The January, February and March correction clinics should be the third Thursday of the month. The calendar on the web page, www.fvdtc.org, and the dates on the entry form will be updated once we get the final dates from the fairgrounds

REMEMBERING LINDA

To Linda and Jim's sons, daughters-in-law, grandchildren, and family,

I can't remember exactly when I first met Linda and Jim. They were almost a fixture on training nights at Fox Valley. Jim helping with the crates and getting dinner. Linda chatting up a storm on any subject, training her dogs and teaching her class.

We probably started talking when we realized how very much alike her Dyna and my Jena were. Both dominant black and white bitches with lots of attitude which they directed at any other dog who invaded their space.

I know that I was a student in Linda's Open class for sometime and enjoyed her class very much. Particularly, the very physical workout she gave each of us with her requirement that we heel for what seemed like an eternity. It was worth the effort.

Somehow, Linda talked me into volunteering to take over the work for Match Nights from her. At the time, this included getting the judges, taking the entries and being there on Match Night. I also remember somehow volunteering to help Linda with the Obedience Trial Trophies one year. Well guess what, that stuck! I took over from Linda and have been the Trophy Chairperson for Fox Valley's Obedience Trial ever since. I will remember her for getting me involved.

Linda and I attended many of the same dog shows and always watched, supported, congratulated, and offered advice to each other on our training. But we were more than fellow dog club members. Linda attended my bridal shower and also the baby shower for my daughter, Samantha. We were friends.

It was a sad day when I heard that Jim had passed away. It was so sudden and unexpected. And then when Linda finally found something to put her heart into again, agility teaching, I heard the sad news of her cancer. The last time I spoke to Linda, she was planning to go home the next day from St. Joseph's Hospital. I called to tell her how everyone loved the Agility Trial trophies which she had picked out for Fox Valley's Agility Trial and how our trial had gone the first day.

I know what it is like to lose a parent as I lost both of mine within a short time of each other. It has been many years since then but I look at my daughter, Samantha, and realize what they, and I have missed.

Fortunately for Linda it was a fairly short time until the end. Unfortunately for her you, her sons, daughters-in-law, grandchildren, and family, you wanted and needed her here much longer than was given.

I have made some wonderful friends through my dogs and Fox Valley. Linda and Jim were among them. My memories of them and the Basenjis will remain forever.

With my deepest sympathy, Helen Castellano

MEMBERSHIP MEETING HIGHLIGHTS

Membership Meeting Highlights November 7, 2001

Meeting brought to order at 7:40 p.m. by Carolyn Pearson. Tracey Mohr was out of town on a required business trip. The October meeting minutes were approved as published. Several items of correspondence were read.

Judy Anderson (First Vice-President) was not in attendance. However, Will Short reported that she is slowly recovering from her liver transplant.

Carolyn Pearson (Assistant Director of Training) reported for Trudi Kimm, that we desperately need primary and assistant instructors. We also need to have a list of individuals who would be willing to substitute teach for any classes, especially on short notice - flu and cold season is here.

The Rally cards have been ordered, but not yet received. A book on the rules and regulations for Rally Obedience was given to Ginger for the club's library.

Carolyn also reported that she and Ed Herdes are still trying to find a date to clean our mats at the fairgrounds. However, it does not appear as if it will occur prior to the end of the year because the fairgrounds are booked most weekends. We need to have a weekend date that we do not have to breakdown the equipment and we would be able to gain access to the fairgrounds on a Saturday.

Will Short (Trial Chairperson) reported the following:

- All trial workers should be at the fairgrounds between 7:15 a.m. and 7:30 a.m. on Sunday, November 11th.
- No Fox Valley club members should place crates or other personal equipment at the fairgrounds Friday night while Car-Dun-AI is setting up.
- The trial will begin at 8:00 a.m. with the Pledge of Allegiance, followed by the National Anthem. Judging will begin immediately after that.
- Taffy has the gold dollar coin to be given to an individual for each entry. The distribution will be done by Vera Nyberg or Cathy Fleury.
- Anyone witnessing a problem should seek Will out immediately.
- Anyone noticing a reporter from the local newspaper should see Kent Hildebrand or Will.
- Cindy Pakenas is the grounds chairperson and could

use some help.

- The raffle is still in need of donated items. They can either be brought on Saturday night or Sunday morning.
- The set-up is scheduled to begin at 5:00 p.m. on Saturday.
- There will not be any non-regular classes offered in 2002.
- ALL chairpeople should provide a list of workers to Will following the trial.

Bill Clarke reported that all thirteen booth spaces are filled. He also stated that several booth occupants are new this year. Booth set-up begins at 6:00 p.m. on Friday. Dean Connolly reported that help is needed to do the clean-up on Sunday afternoon for equipment and the kitchen.

Helen Castellano, Trophy Chairperson, was not in attendance, but sent the following report with Carolyn Pearson. She has help for Saturday night Trophy Table set up. But, she thinks that she might need someone to man the table early Sunday morning. Anyone who would be available should contact Helen. She also purchased several small American Flags to display on the ring tables.

Taffy Wille (Trial Secretary) stated that all classes were filled except Utility A, which had an entry of 38 dogs, maximum was 48. The non-regular classes will be judged in the Utility A ring, following the completion of that class. Taffy also briefly reviewed the contents of the table steward's envelope.

Dave Lewis (Waggin' Tales Editor) reported that the deadline is Sunday, November 18th. This is one week later than usual to allow for trial reports to be included in the November issue. The website is up-to-date and receiving visitors regularly.

Dean Connolly (Graduation Chairperson) reported that the Graduation certificate supply needs to be replenished. He will obtain prices from several places.

Kathy Hubbard (Membership Chairperson) was not in attendance, but sent her report with Carolyn Pearson. Carolyn read a list of four applicants that were published in the October Waggin' Tales. Additionally, there were several new people in attendance who stated that they had submitted their applications to Kathy Hubbard following the October Waggin' Tales publication. Taffy

made a motion that we waive the requirement of the pre-publication of those names. Bill Clarke seconded the motion. The motion was approved by all, without any opposed or abstentions.

Taffy made a motion that the list be approved as published, with the addition of the two new applications. Will Short seconded the motion. The motion was approved by all, without any opposed or abstentions. Welcome to our newest club members!

Ingrid Hamburger (Match Steward Chairperson) reported that we need Stewards for the November 29th Correction Clinic.

Shirley Moline (Match Judge Chairperson) was not in attendance, but sent the following report with Carolyn Pearson. Shirley has not started to make calls for judges for the November 29th Correction Clinic. Anyone who wishes to judge should contact Shirley. She would like to get different club members to judge at the match. Shirley reported that if it were not for a handful of people, who she cannot thank enough because they have judged every month, we would not have the correction clinics.

Suzan Scott (Match Entry Chairperson) was not in attendance, but sent the following report for the November 29th Correction Clinic with Carolyn Pearson: The Novice classes has lot of spots available, the Open classes are full and has a waiting list, the Utility classes still have a couple of spots available.

Jacquie Kramer (Annual Dinner Chairperson) was not in attendance. However Suzan Scott, Awards Committee, although not in attendance, sent the following report with Carolyn Pearson. She hopes to have the 2001 award information published in the December Waggin' Tales.

...and the winner of \$5.00 is new club member Susan

Old Business

Carolyn Pearson reported the following:

- Linda Benson's condition is deteriorating quickly, but she is at home.
- The schutzhund type dumbbells will be donated to HELP with the rest of the donation items.
- Another clothing order is being put together. See the Waggin' Tales for more information.

- We are still in need of a new "class registrar". It would be extremely helpful to have someone with Internet access. The person must love to talk to people. Jerry D'Aprile will finish out the last session – BUT would be happy to have anyone interested in the position use this time for "training". Anyone that has any ideas of how to make the job easier, etc. should submit their suggestions to any of the Board members (via phone, personal contact or e-mail) prior to the December 5th Board meeting.

- Front Table help is also still DESPARATELY needed. We LOSE money when we do not have someone at the table. The job is NOT hard – just need a friendly smile! We need someone to sit at the table from 6:45 p.m. until 8:15 p.m. Work Credit is earned.

- Each TUESDAY night that we have training (until March 2002) – we will need to break down our equipment. One Work Credit will be offered to all who help.

New Business

- Carolyn Pearson reported that we need a person to
