poop patrol, Saturday night set up, Sunday night tear down and cleaning, and kitchen workers. Please contact anyone with whom you would like to work and get signed up early and often.

We even have a judge who has committed herself to handle any run-offs; Robin Comp-Zelles has given her OK to do this if needed.

If I have omitted anybody from this list, please let me know as soon as possible so I can make a correction for the next WT issue.

Thank you for all of your work so far and for that which is still ahead.

## On-Line Brags

See three years of  
electronic brags on the club  
web site <<http://www.fvdtc.org/news>>. You can  
also add your dog's  
accomplishments to the list  
for all the world to see.

## Boner Updates

Being the first contributor to the 2002 BONER award nomination pool, Will Short has won the best of the many wonderful prizes available for contributors.

There are still some prizes remaining, so send in a write-up of that memorable event describing something funny or embarrassing that has happened to you (or someone else) and your dog.

## Things to Remember

.... if you are reincarnated as a dog:

1. The garbage collector is not stealing our stuff.
2. I do not need to suddenly stand straight up when I'm lying under the coffee table.
3. I will stop trying to find the few remaining pieces of clean carpet in the house when I am about to get sick.
4. I will not throw up in the car.
5. The diaper pail is not a cookie jar.
6. I will not chew my human's toothbrush and not tell them.
7. I will not chew crayons or pens, especially not the red ones, or my people will think I am hemorrhaging
8. I will not play tug-of-war with dad's underwear when he's on the toilet.
9. I will not eat mint flavored dental floss out of the bathroom garbage, because I don't want to have a string hanging out of my butt.
10. I will not come in from outside and immediately drag my butt across the carpet.
11. The toilet bowl is not a never ending water supply and, just because the water is blue, it doesn't mean it is cleaner.
12. Suddenly turning around and smelling my butt makes people put me outside.
13. The cat is not a squeaky toy so when I play with him and he makes that noise, it's usually not a good thing.

Due to my foot, he was only able to work 2 times in the 7 weeks before the trial. He got steak added into his dinner!

## Heather Memorial

Special thanks to Bob and Nancy Gillum on their continued sponsorship of the Heather Memorial Award. The note enclosed with the check included the following "We will be glad to contribute to the Heather trophy plaque. I think it is such an encouragement to the beginners."

## 4H Classes Conclude

Jerry D'Aprile and Cheryl Hettinger taught the beginners class. This class is always large with a variety of dogs and younger students. It requires a lot of patience to keep their attention during an hour class.

Penny Breich was the judge for the Showmanship Class. The obedience judges were Will Short and Kent Hildebrand. Several students qualified to go to Springfield for the State 4H competition at the State Fair.

The 4H Advanced class, led by Nadine Connor and Bill Clarke

## Tygr & Viki

I thought that maybe some other people would like to know how Tygr and Viki Benson are doing. Here is a link to their new home. Their new mom and I just started emailing each other and she would like to know more about their life. So if any one else would like to email them feel free to do so.

# Board Meeting Highlights

## Board Meeting Highlights August 7, 2002

Meeting brought to order at 7:48 p.m.

Secretary - Carolyn Pearson

The June Meeting Minutes were approved as published, without any corrections. Several items of correspondence read.

Trudi Kimm (Director of Training) reported that Marietta Huber is offering an Agility handling class at 9:00 p.m. This class is for individuals who are currently enrolled in another agility class or actively showing in agility trials. Marietta will teach handlers some techniques for getting the dogs between obstacles, to "move out, to "get back", etc. This class is not to teach agility for novice agility handlers. The class will only be offered when training is on Thursday nights, not Tuesday nights. This class will open only to guest trainers AF-TER all interested current club members have received a "space" in the ring.

Trudi announced that we are seeking to find a regular "on-call substitute" for the Open Run-throughs (at 7:00 p.m.) and Open class (at 8:00 p.m.) on the nights that Rick Cox is unable to be at training. The volunteer does NOT have to be the same for both times – if you would like to assist at one of those times (or both), please contact Trudi Kimm (at training, at (630) 673-0527 or [dot@fvdtc.org](mailto:dot@fvdtc.org)) or Carolyn Pearson (at training, at (630) 231-5658 or [secretary@fvdtc.org](mailto:secretary@fvdtc.org)).

Trudi reported that the following volunteers are instructing and assisting for the current session.

Additionally, Trudi asked that current instructors keep "watch" for individuals would have potential to be assistant (and primary) instructors.

Carolyn Pearson (Assistant Director of Training) has spoken to three current instructors. In their opinion, it was difficult for the students to come to the first night of classes and then, because of the "off night" due to the correction clinic, wait over two weeks until their next class, which is the first class with dogs. They would like to go back to meeting on match nights and maintaining a ten-week class session.

Kathy Hubbard stated that she believes that the ten-week class allowed the trainers/dogs to be better prepared for graduation to the next level of classes. Carolyn stated that she would send an e-mail message to all current and past instructors to ask their opinion about

the quality of training between a ten-week and the eight-week classes. She will look at the tentative 2003 calendar to see if the problem would occur in 2003.

Will Short (Trial Chairperson) reported that all Committee Chair positions have been filled and will be listed in

7:00 p.m.	Advanced Beginner	Nadine Connor
	Beginners	Bill Clarke & Sally Dillow
	Open Run-through	Rick Cox

the next Waggin' Tales. Will also announced that a run-off judge is selected.

next week. Taffy stated that currently all classes are open.

Dave Lewis (Waggin' Tales Editor) sent the following report via e-mail, the next deadline is Sunday, August 18<sup>th</sup>. He has recently acquired some old Waggin' Tales and will send out a plea to other members who have old copies they are willing to donate to help rebuild the archive that got lost in the transitions between editors.

Dave also reported that he has recently redone the method of paying for our Web site to make is easier for all parties and reduce the number of checks that must be written by the club.

Kathy Hubbard (acting Membership Chairperson) reported that as of today we have a total of 186 renewed memberships. Our total membership usually is between 175 and 210 members, depending on the time of year.

Francene Andresen (Tracking Secretary) stated that she is getting ready for the September 8<sup>th</sup> Tracking Tests. As of tonight, she has received six entries (three each for the TD and TDX tests). She still needs to contact the insurance company for a Certificate of Insurance. She and Suzan Scott are in the process of obtaining the two plaques needed for the TD test and the tracklayer trophies. She also stated that she needs to purchase food and water for hospitality of the judges and tracklayers. Peggy Sue Seehafer made a motion to approve a maximum expenditure of \$60.00 for hospitality. Kathy Hubbard seconded the motion. It was approved by all present.

Francene announced that she is currently without a computer, due to recent hard-drive crash. Anyone needing to contact her should call her NOT send an e-mail message. Ingrid Hamburger is assisting in obtaining tracklayers. Kathy Hubbard volunteered to look through the membership applications to search for those individuals who have expressed an interest in tracking activities.

Francene asked Carolyn to send four copies of the premium list to the AKC Events Planning Department for Tracking.

### Old Business

- Trophy Replacement decisions were made for the following awards.

Heather Memorial Award, will continue to be offered by the Gillums, thanks to their generous donation. Kathy Hubbard made a motion to purchase the 9" x 12" solid walnut plaque as the Heather Memorial Award replacement. Will Short seconded the motion. The motion was approved by 7, opposed by 1, and without any abstentions. The award will continue to be offered by the Bob and Nancy Gillums, thanks to their recent donation.

Founders Award. Kathy Hubbard made a motion to purchase the 12" x 15" solid walnut plaque as the Founders Award replacement. Will Short seconded the motion. The motion was approved by all and without any opposed or abstentions. The award will be offered by the club.

- Kathy Hubbard reported that she is still working on updating the list of local breed specific rescue programs. Carolyn has not yet contacted Jean to determine the timing of the next vet mailing.

### New Business

- E-Collar Policy Evaluation – Trudi Kimm reported that she has not received comments from anyone. Tracey Mohr will report on the following type of feedback at the September 4<sup>th</sup> Membership meeting.
  - How has the community reacted to the use of the collars?
  - Has the club received any documented complaints or concerns?
  - Has there been any documented abuse of the electronic training collar by a trainer?
  - How many club members are using the electronic training collar?
- E-Collar Policy Ballot was reviewed and comments were provided to Carolyn.

A motion was made, seconded and approved to adjourn the meeting at 9:58 p.m.
